# Emergency vehicles get the 'green light'

When Antioch's police, fire and rescue squads are hurrying to answer a call, the traffic lights will turn green for them.

The system, known by its trade name, "Opticom," is scheduled to be installed in early spring at the intersections of Lake and Main streets, routes 173 and 59, and route 173 and highway 83.

It will be expanded to future traffic lights when more funds become available, according to Fire Chief Charles (Tod) Maplethorpe.

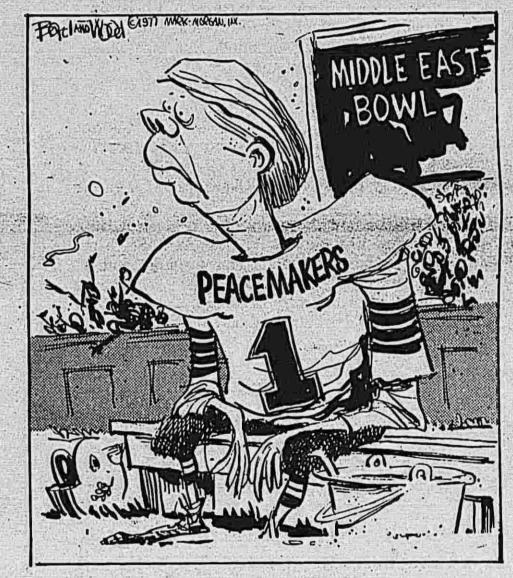

"THE "OPTICOM" TRAFFIC control system has been approved by the federal government, which is funding it 100 percent.

It is the result of a joint request by the village and the township. It will cost about \$19,000 to install the equipment at the three intersections.

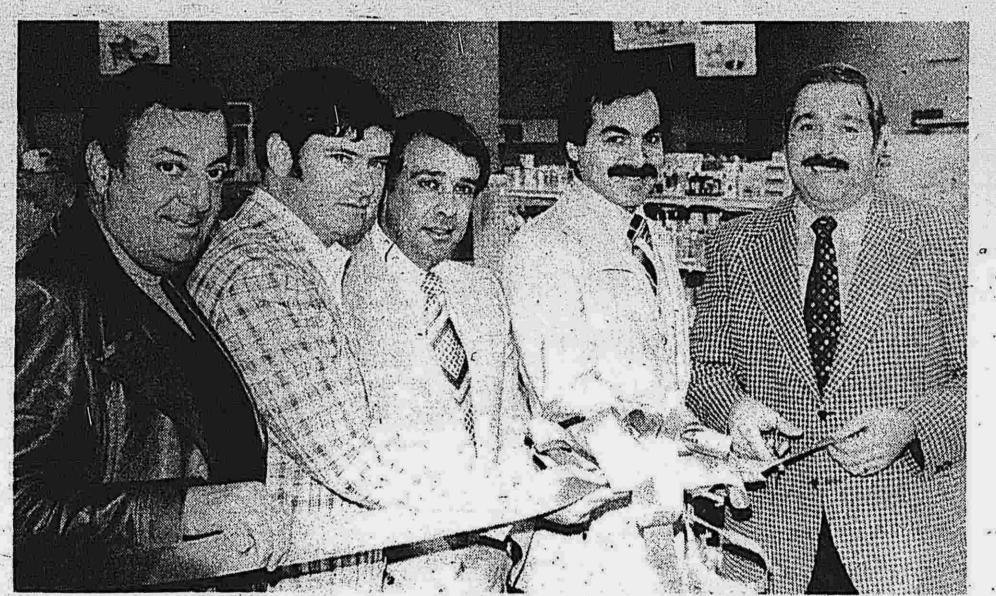

"This system, through the use of a pulsating light on the vehicles, automatically provides a green light for the approaching emergency vehicle," Maplethorpe said.

A unit in the traffic signal will override

# New safety building hinges on outcome

Antioch voters will go to the polls Saturday to decide if a new safety building will be constructed.

Residents of the village will vote at the village hall and scouthouse, while those living outside the village but in the First Fire Protection District will cast their votes at Emmons School.

In each case they will vote on the question of issuing \$650,000 in fire-safety building bonds.

IN THE VILLAGE, residents living west of Hy. 83 will vote at the village hall and those living east of the highway (Main St.) will vote at the scouthouse.

Persons who are not registered to vote can register until 12 noon on Saturday at either the village hall or the township office on Rte. 173.

The First Fire Protection District takes in all of the township, except the village and that part of the township west of the Fox River.

THE VILLAGE AND THE fire protection district have decided to go into the proposed safety building as partners. The building would be located on land already purchased by the village at Orchard St. and Turner Drive.

The new building would house both the Antioch Fire Department and the Rescue Squad. A "yes" vote on the referendum question will favor the issuing of the fire-safety building bonds and a "no" vote will oppose them.

Letters explaining the referendums and the need for the new safety building are being mailed out to all residents prior to the vote.

Tod Maplethorpe, fire chief, said that Antioch firemen are also getting the information on the referenda "so they will have the answers when people ask them." He added that firemen are available to appear before civic and social groups to explain the need for the new building. Maplethorpe will speak to the Rotary Club of Antioch Thursday noon.

IF THE BOND ISSUE is approved, it will mean a tax increase of 10 cents per \$100 of assessed valuation for residents of the village. For a home assessed at \$10,000, the tax increase would be \$10 per year.

For a resident of the fire protection district, the tax increase would be 13 cents per \$100 of assessed valuation.

A taxpayer assessed at \$10,000 in the fire district would pay \$13.30 a year.

THE NEW BUILDING would contain 24,200 square feet to be utilized by the fire department and approximately 4,050 square feet to be utilized by the rescue squad.

Apparatus bays, offices, fire prevention department, dispatch center, hose drying and training tower, equipment and storage rooms as well as living quarters will all be provided. Although only preliminary plans are available, final details of the building will be developed jointly by the village and the fire protection district.

There would be no tax cost to anyone for the new building until 1979. There has been no bond issue tax cost in the past in the fire protection district and the village of Antioch has only one final payment to be made on bonds in 1978. Both municipalities are now free of tax indebtedness.

the regular traffic control system and keep the light at green, or return it to green, 15 seconds after it picks up the light. That gives other traffic a chance to stop.

"IT WILL ONLY ACCEPT a certain frequency of light," said Maplethorpe. So it can't be activated by pranksters with flashlights or other devices.

The traffic signal will pick up the pulsating light 1,000 feet from the intersection, so the light will be green when the police, fire or rescue vehicle arrives at the intersection.

# 'Yes' vote needed on safety building

It is important that voters in Antioch village and township get out Saturday and cast their ballots in favor of a new building for the fire department and rescue squad.

Those two excellent volunteer departments have touched the lives of most of us. The more who vote, the better the chances are that the firemen and rescue squad members will get the facilities they need.

THERE IS AN URGENT need for the new facilities.
Both the rescue squad and fire department are confined in buildings which are bursting at the seams. There is no space to walk between fire trucks. Equipment cannot be properly maintained.

The station is not only too small but it cannot be enlarged. The weight of fire trucks requires that the floor be braced with steel plates, otherwise equipment may collapse to the basement below.

The village and fire district have made substantial contributions in equipment and manpower over the past years and, without the means to maintain and utilize the equipment properly, additional expense and problems are incurred. If you have not visited the fire station recently, please do so before election day to witness the overcrowded, inadequate conditions.

AS WE SAID here two weeks ago, the firemen and rescue squad members have been answering our calls faithfully - and without pay - for many years.

Now, they need new headquarters and they're calling us. How are we going to answer?

## Snowmobile damage

Last Saturday morning two juveniles were apprehended at the Antioch Upper Grade School and taken into custody, school officials said.

They were caught as a result of School District 34 attempts to stop the destruction caused by minibikes and snowmobile riders using the area as their private race course, the statement added.

To date, snowmobilers and minibike operators have caused thousands of dollars in damage, including knocking down ornamental trees and shrubs, tearing up ground cover needed to stop erosion, forcing repairs to softball and Little League play areas, exposing and damaging the root systems of large trees, and miscellaneous vandalism. This assessment of the damage was made by Michael "J. Teeley, the director of the district's environmental education program.

The District 34 school board is currently considering what action will be necessary to control this senseless destruction and disregard for school property.

These violators are subject to as much as a \$500 fine with a \$25 ticket almost automatic in this type of a situation, Teeley said.

"Adults and young adults on these off-the-road vehicles currently cause more damage than all the students in District 34 combined," he added. "It is your tax dollars they are wasting. At the same time, they are giving the responsible operators and club members a bad name."

A newspaper dedicated to people marching to their own drummers.

Dave Zickus, owner of the Piggy Bank Discount Store and governor of the Moose Lodge, says he has the Antioch News sent to his father, Pete Zickus, in Chicago because it's just the right size for hitting the dog.

"If you hit your dog with the Tribune, you'd kill him,"
Dave said, "but the Antioch News is just the right size."

INCIDENTALLY, THE BEST line we read in the Tribune last week was by sportswriter Robert Markus, who said the new Northwestern football coach, Rick Venturi, will institute an offense as wide open as Cicero in the Capone era.

"There will be more passes thrown in Dyche Stadium next fall," said Markus "Than at the combined convention of traveling salesmen and farmers' daughters."

Anybody lose a goose?

An apparently tame goose flew into the Holmes family's yard on Lake Marie Friday night and 15-year-old Jeff Holmes caught it.

"We're keeping it in our kitchen," said Jeff's mother, Joan. "We have to keep it there because Snoopy, the family dog, isn't happy with the visitor. So Snoopy has to stay in the garage."

Mrs. Holmes said four of her sons want to keep their new web-footed friend, but she'd prefer to find the owner. However, she is concerned someone might pretend to be the owner just to have it for Christmas dinner.

The Holmes family doesn't want that.

A neighbor had a goose last summer and looked at the one in the Holmes' kitchen, but said:

"Nope, that isn't Henrietta."

If you think the goose is yours, you can call Mrs. Holmes

at 395-1943 and describe it to her.

SPEAKING OF STRAY animals, we have this male . puppy here ... black with white feet and markings ... about 18 inches high.

He has a collar, so we assume he belongs to someone. Sure wish the owner would claim him. He's lovable but much too frisky ... keeps eating newspaper stories and we have to keep re-writing them.

He was found near the corner of Lake and Main, and we took him in out of the snow just to save him from the dog pound. Please, owner, come and rescue your dog. Or, in fact, rescue us from your dog.

A FELLOW OVER on Lake Street says he is upset over the World Almanac's list of the 25 United States women who wield the most clout.

The nation's most influential women, the Almanac announced in its 1978 edition, are headed by First Lady Rosalynn Carter and includes such names as Phyllis Schlafly, Beverly Sills and Helen Gurley Brown. The straw that broke our Lake Street camel's back was Billie Jean King.

"What a joke!" snapped the Antioch man, who asked that his name be withheld in case his wife reads this.

"These women have absolutely no influence on me at all," he said. "How can they name 25 'women with clout' and leave out Farah Fawcett, the other three Charlie's Angels, and Charo."

Yes, Charo is a U.S. citizen now, too. It all depends, we suppose, on how you define "clout."

50 YEARS AGO: DEC. 8, 1927

Renewed activities to hasten the building of Illinois highway No. 173 (Zion to Rockford route) began in earnest last week. A date will be set for a public hearing on the east section of the road, the Harvard to Zion stretch. To discuss a possible location for the new route through or near Antioch, many citizens here assembled at the village hall last Friday night. Mayor S.E. Pollock selected a committee of 11 men to ascertain the sentiment of property holders.

The northern route, as mapped, leaves the Hickory road at Bean Hill and passes in a northwesterly direction of Little Silver Lake, coming into Antioch at or near Depot street, crossing Main street at the intersection of Orchard street, thence west to Channel Lake road. The southern route, according to committee members who favor that location, follows the present Hickory road to Wedges corners, thence northwesterly through Antioch Hills subdivision across highway 59 to what is known as Smart's Hill on the Channel Lake road.

Frank R. King, who always has been active in pushing road building, favors an intersection with Main street within the business district, preferably the Orchard street location.

20 YEARS AGO: DEC. 5, 1957

It was the usual November weather that Antioch experienced this year, Roy Kufalk, cooperative observer, concluded Saturday. The highest temperature for the month was 61 on the first day and the lowest was 13 degrees above zero on the last day. There were only traces of snow with the first snowfall on Nov. 8.

In the Antioch Major Bowling league last Friday Joe Sterbenz of Joe and Helen's team had the high scores, a 250 game and a 685 total.

Miss Carol Bean will become the bride of Charles Maplethorpe Dec. 15.

Brought from way out west, two real live baby buffaloes, Joe and Pat, will be in a corral at the Antioch Packing House. Come up often and watch them grow. Joe Patrovsky and Stewart Olson went to Oklahoma to engage in a buffalo hunt. The American Bison Society donated 15 buffaloes to a U.S. wildlife refuge back in 1907 and there are now more than 1,000. Joe and "Stew" will get two buffaloes and "bring 'em back alive."

10 YEARS AGO: DEC. 7, 1967

Dedication services at the new St. Stephen Lutheran church last Sunday brought out over 400 people. Most of the churches of the community were represented. Mayor Toft and his family were there. Rev. Donald L. Cobb of Antioch Methodist church and Father McGovern from St. Peter's brought greetings to the 3 o'clock community service.

The First National Bank of Antioch will feature Open House Dec. 14, 15 and 16 during the regular banking hours. They will be celebrating their first year in new quarters at Lake and Main and also the opening of their Satellite Banking facility in the Antioch Shopping Plaza.

In one of the most exciting games played in the Antioch gym, North Chicago beat Antioch 54-50 in a double overtime last Saturday night. Tony Barnett led Antioch with 18 points: The Sequoits scored their 18th straight conference victory last Friday, 83-45 over Lake Zurich. Bill Smith, Antioch's new vacuum cleaner under the backboards, set a school record with 25 rebounds. The old record of 24 was set by John Hallwas in 1963 and tied by Vic Rogers in 1965. Tony Barnett scored 16 points and Bill Blecke 12.

## Scouthouse, sidewalks both need cleaning

Cleaning up the Scouthouse and shoveling downtown sidewalks were two of the matters discussed Monday night at a brief Antioch village board meeting.

Trustee Don Amundsen reported that some of the various groups using the Scouthouse, on north Main St., are being asked to clean up the place after their event.

Users of the Scouthouse are receiving a letter from Sue Koppa, parks and recreation coordinator, which says, in

"The village has neither the funds nor the time to keep up with this useage. If we all did our part, it would make it easier.

"This clean-up includes shaking out rugs and cleaning up dirt after it has been brought in.

"The Scouthouse is our only community-used center and we must preserve it as a lasting memorial to the Anderson Foundation."

THE PROBLEM OF SOME businessmen not shoveling the snow off their sidewalks will be mentioned to the Chamber of Commerce.

Trustees decided the Chamber was the best means of initiating a program to encourage its members to shovel their walks.

## Four Squires flashes fashions for Rotary

"Outfits perfect for the holiday season" were shown to Antioch's Rotary Club members last Thursday at a fashion show at the Brave Bull restaurant.

RUTH LEE models a two-piece Lady Manhattan Qiana set in the fashion show presented by Four Club of Antioch.

Sandi Stewart, manager of Antioch's Four Squires store, helped coordinate the event, an unusual treat for the Rotarians who meet for lunch every week at the Brave Bull.

Members of the club brought their wives and secretaries to the special program.

Just a few of the "holiday season outfits" are pictured here.

SATIN WITH LACE, by "After Ours," was modeled by Janet Mate. It was the finale to the show and one of the highlights.

HERE, JANET MATE shows "Green Velvet Jo Ho Collectibles," with matching cap.

## Mail needs postage and clear addressing

A seasonal reminder not to forget postage stamps when mailing holiday greeting cards was issued Tuesday by Officer-in-Charge John B. D'Amico, of the Antioch post office.

No stamps means no delivery, he cautioned.

"And if your cards have no return address, chances are you won't even know that they never got where you intended them to go. If there is a return address, they'll come back to you marked 'returned for postage'," he said.

It has been more than three years since the Postal Service discontinued its previous practice of delivering unpaid mail "postage due" and collecting from the addressee.

Yet, a surprising amount of mail still gets into the

system without postage, Mr. D'Amico said.

Everyday, for example, the Chicago post office receives an average of 1,600 letters that have neither postage nor return address.

Mr. D'Amico also cautioned that careless addressing is an even greater cause for mail to wind up in a dead letter office.

He noted that the Chicago post office received more than 200,000 pieces of mail during the first three weeks in November that couldn't be delivered because of incorrect or illegible address, and had to be opened because there was no return address on the envelope.

## Mayor urges seniors to vote 'yes'

By FRANCES WINIECKI

At the Tuesday, Nov. 22, meeting of the Antioch chapter of the American Association for Retired Persons (AARP) Mayor Michael J. Haley asked senior citizens to get out and vote this Saturday, Dec. 10, on a referendum for a new building for the fire department and rescue squad. It was an informative speech.

Onnie Bridges of Winthrop Harbor received a plaque from our president, Esther Aiani, in appreciation for serving as regional director for the AARP for six years.

Don't forget our Christmas party Tuesday, Dec. 13, at the Holiday Inn Sunburst room in Gurnee, starting at 12 noon.

There will be no meeting of the Antioch chapter on Tuesday, Dec. 27.

The chapter otherwise meets at 12 noon on the second and fourth Tuesday of each month at Father Frawley hall in St. Peter's parish.

## Tony Besson wins basketball contest

There were a lot of entries in last week's Antioch News basketball contest and most of the forecasters figured (as the experts did) that the high school team's game against Warren would be very close.

Showing the most confidence in the Sequoits was 11-year-old Tony Besson, who picked them to beat Warren by 12 points. Antioch won by 13 ... so Tony wins \$15 in cash from Vern and Ray Thelen of the Thelen Sand and Gravel Company.

ALSO CONFIDENT of a strong Antioch showing was a member of the Sequoit team, Dave Gutowski, who picked the local players to win by 11 points. Dave was tied by George Keulman, who also predicted an 11-point win for Antioch.

Since George came closest in the tie-breaker, Saturday's game at Lake Forest, he will receive second prize ... a \$10 gift certificate from Candlelight Galleries in the Hickory Commons shopping center.

Dave Gutowski wins third prize, a \$5 gift certificate from Swan's Liquors. (Just in time to buy a Christmas gift for his dad, Bernie.)

ANOTHER INTERESTING CONTEST appears on page. 19 in today's Antioch News. The trick is to predict the score of Friday night's game here between Antioch and Round Lake. Entries must be at the Antioch News, or postmarked, by 5 p.m. Friday.

Prizes are being awarded this week by Bob's Septic and Cement Service, Gibbs and Jenssen's "Carousel" and Swan's Liquors.

## Kids are super in 'Many Moons'

By ERLENE PEARCE

Wishes do come true, even if the moon is the object of your desire.

It helps, however, if you are the pretty princess Lenora, portrayed by Donna Ruggles, your father is the king (Jim Fabry), and you have a lord high chamberlain (Art Lee), a royal wizard (Scott Paul) and a mathematician (John Woolner) at your disposal.

Not to mention the chamberlain's wife (Lisa De Benedetto), the wizard's wife (Lori Koenig), the royal nurse (Debbie Jones) and Tracy Moffat as the goldsmith's daughter ... all striving to grant your slightest wish.

THE REAL HERO of this delighful fairy tale by James Thurber is the court jester, played by Dave Moffat, who provides not only the princess with the moon but the audience with a great deal of laughter.

Another problem arises with the

approach of evening - how can the moon be explained when the princess believes she has it on a chain around her neck?

The sets on opening weekend at PM&L Theatre were very effective, quickly changed with a seeming minimum effort to portray three different rooms of the castle. I really enjoyed the whimsical costumes of the lord chamberlain, wizard and mathematician. In fact all-seemed truly representative of the times and

# Grass Lake PTO plans bazaar, pancake breakfast

By CAROLE MATTSON

When making out your list this year for the holidays, be sure to include Sunday, Dec. 11, at Grass Lake School.

The P.T.O. is having a pancake breakfast and bazaar with Santa from 9 a.m. till 1 p.m. in the school cafeteria.

Donation is \$1.50 per person, \$1 for senior citizens, and

children under 5 years are free.

The menu includes sausage, all the pancakes you can

eat, orange juice, coffee, milk, and hot chocolate.

Santa will be there to visit with you and have treats for all good boys and girls. His elves will serve you your breakfast.

Pictures will be available for 75c or you are welcome to bring your own camera.

Area merchants, in keeping with the holiday spirit, have generously donated many prizes. For the bazaar, the people of the Grass Lake community have been hard at work preparing for your holiday shopping needs.

Items include hand-painted plaques and gifts, dough art ornaments and decorations, various Christmas wreaths, crocheted and macrame articles, plants, stuffed toys for the little ones, ceramics, and various holiday cakes, breads, cookies and candies.

A contest will be held for a savings bond, a large stuffed dog, a gingerbread house, and a ceramic Christmas tree.

This annual event has always been well-attended so plan on being there early for the best selection. Grass lake school is located two miles west of Rt. 59 on Grass Lake Rd.

## St. Ignatius plans carols, procession

St. Ignatius Episcopal Church, 983 Main St., Antioch, is inviting area residents to join its parishioners Sunday, Dec. 18, at 6:30 p.m. for a "Festival Procession with Lessons and Carols."

Adapted from the traditional Solemn Evensong at King's College in Cambridge, England, the service of scripture, prayer and music explores the history of mankind from his creation to the birth of Jesus

Readings from scripture will be presented by the rector of St. Ignatius Church, Rev. Theodore A. Bessette, and by members of the parish and guest readers.

The St. Ignatius choir, under the direction of David McCain, will provide special musical selections. James Frey, organist from Chicago, will accompany the choir and congregation on the church's 106-year-old pipe organ.

A prelude of carillon music will begin at 5:30 p.m.

ARIES [March 21-April 19] - Long range plans seem more feasible now. Share ideas, make new preparations with close associates. A good week to attend to unsettled legal matters.

TAURUS [April 20-May 20] - People may be in opposition to your suggestions; plan a course that allows you to work alone where creativity can be effectively expressed.

GEMINI [May 21-June 21] - Apply abundant energy to improving working conditions, smoothing out differences with co-workers. Maintain a steady, consistent pace, watch diet and health.

CANCER [June 22-July 21] - Heightened romantic interests can lead to extravagance and the tendency to speculate unwisely. Don't gamble now on uncertainties.

LEO [July 22-August 21] - Conflicting interests can cause some disagreements with relatives; try to avoid hassles by keeping personal aims quiet. Be content to keep routine on a quieter basis.

VIRGO [August 22-September 22] - Travel can be pleasant and useful in promoting your ideas this week. Make contacts, confer with those who are most receptive to your suggestions:

LIBRA [September 23-October 22] - A favorable week for creating new enterprises that further your financial interests. Make the most of high-energy influences by working constructively on that new project.

SCORPIO [October 23-November 21] - A week to get things done if you can control the tendency to reach out in too many directions. Don't scatter interests needlessly.

SAGITTARIUS [Novebmer 22-December 21] -Keep in touch with close friends and associates but avoid confiding in casual acquaintances, as there's a tendency to be misunderstood. Plan a simple, practical week.

CAPRICORN [December 21-January 20] - Be congenial and outgoing with friends who can be a big asset with present plans. Accept invitations which allow you the chance to make new contacts.

AQUARIUS [January 21-February 19] - If others show a tendency to be difficult to please focus attentions on your own personal aims. Although tact is required for superiors, air your views subtly.

PISCES [February 20-March 20] - If imagination is put to good use that new venture can prove profitable now. Coordinate your plans; a favorable time to cultivate hobbies and creativity.

The menu includes sausage, all the pancakes you can eat, orange juice, coffee, milk, and hot chocolate.

Santa will be there to visit with you and have treats for all good boys and girls. His elves will serve you your breakfast.

Pictures will be available for 75c or you are welcome to bring your own camera.

Area merchants, in keeping with the holiday spirit, have generously donated many prizes. For the bazaar, the people of the Grass Lake community have been hard at work preparing for your holiday shopping needs.

Items include hand-painted plaques and gifts, dough art ornaments and decorations, various Christmas wreaths, crocheted and macrame articles, plants, stuffed toys for the little ones, ceramics, and various holiday cakes, breads, cookies and candies.

A contest will be held for a savings bond, a large stuffed dog, a gingerbread house, and a ceramic Christmas tree.

This annual event has always been well-attended so plan on being there early for the best selection. Grass lake school is located two miles west of Rt. 59 on Grass Lake Rd.

## Astro-Analysis By Sonia

ARIES [March 21-April 19] - Long range plans seem more feasible now. Share ideas, make new preparations with close associates. A good week to attend to unsettled legal matters.

TAURUS [April 20-May 20] - People may be in opposition to your suggestions; plan a course that allows you to work alone where creativity can be effectively expressed.

GEMINI [May 21-June 21] - Apply abundant energy to improving working conditions, smoothing out differences with co-workers. Maintain a steady, consistent pace, watch diet and health.

CANCER [June 22-July 21] - Heightened romantic interests can lead to extravagance and the tendency to speculate unwisely. Don't gamble now on uncertainties.

LEO [July 22-August 21] - Conflicting interests can cause some disagreements with relatives; try to avoid hassles by keeping personal aims quiet. Be content to keep routine on a quieter basis.

VIRGO [August 22-September 22] - Travel can be pleasant and useful in promoting your ideas this week. Make contacts, confer with those who are most receptive to your suggestions.

LIBRA [September 23-October 22] - A favorable week for creating new enterprises that further your financial interests. Make the most of high-energy influences by working constructively on that new project.

SCORPIO [October 23-November 21] - A week to get things done if you can control the tendency to reach out in too many directions. Don't scatter interests needlessly.

SAGITTARIUS [Novebmer 22-December 21] - Keep in touch with close friends and associates but avoid confiding in casual acquaintances, as there's a tendency to be misunderstood. Plan a simple, practical week.

CAPRICORN [December 21-January 20] - Be congenial and outgoing with friends who can be a big asset with present plans. Accept invitations which allow you the chance to make new contacts.

AQUARIUS [January 21-February 19] - If others show a tendency to be difficult to please focus attentions on your own personal aims. Although tact is required for superiors, air your views subtly.

PISCES [February 20-March 20] - If imagination is put to good use that new venture can prove profitable now. Coordinate your plans; a favorable time to cultivate hobbies and creativity.

### Women of the Moose

By JERRI POLSON

Twenty-six members braved inclement weather and were happy to enroll one new member, Pamela Cox, sponsored by Bobby Knackstedt.

The enrollment was in honor of the chairman of the social service committee, Marilyn Vynalek.

The chapter was urged to enroll as many new members as possible before Mar. 31 so that Illinois will be on top at the international conference in June.

Once a year a member is nominated for the Paul P. Schmitz honorary Mooseheart high school diploma. Any member of the chapter wishing to recommend a co-worker for this honor, for outstanding service to the Women of the Moose, can do so by submitting her name to Senior Regent Judy Cook immediately. If more than one name is submitted there will be a silent vote at the next meeting, Dec. 15.

Don't forget the chapter Christmas party on Thursday. Turn in your grocery ticket stubs and bring a dish or dessert to pass. Also, an item valued at \$3 for the gift exchange.

The third district meeting will be held at the Waukegan lodge Saturday. The Antioch lodge has its Sunday morning breakfast Dec. 11, 9 to 11 a.m.

JOHN A. MARSHALL

## Commodity broker joins area firm

John A. Marshall, 34, a resident of Antioch, has joined the Woodstock branch of A.G. Edwards & Sons, Inc., as a commodity specialist.

Virgil Smith, office manager, said Mr. Marshall's addition brings to seven the number of brokers at the office of the St. Louis-based firm in Woodstock. Mr. Marshall joined the A.G. Edwards office at Aurora as a commodity specialist in 1975.

He and his wife, Dorothy, and their 10-year-old son John W. Marshall, plan to continue living in Antioch. A native of Chicago, Mr. Marshall graduated from Northern Illinois University with a degree in business management.

Prior to his joining the Aurora office of A.G. Edwards, Mr. Marshall worked with United Air Lines in systems operation and as a statistician for 11 years.

### Frosh present movies for children

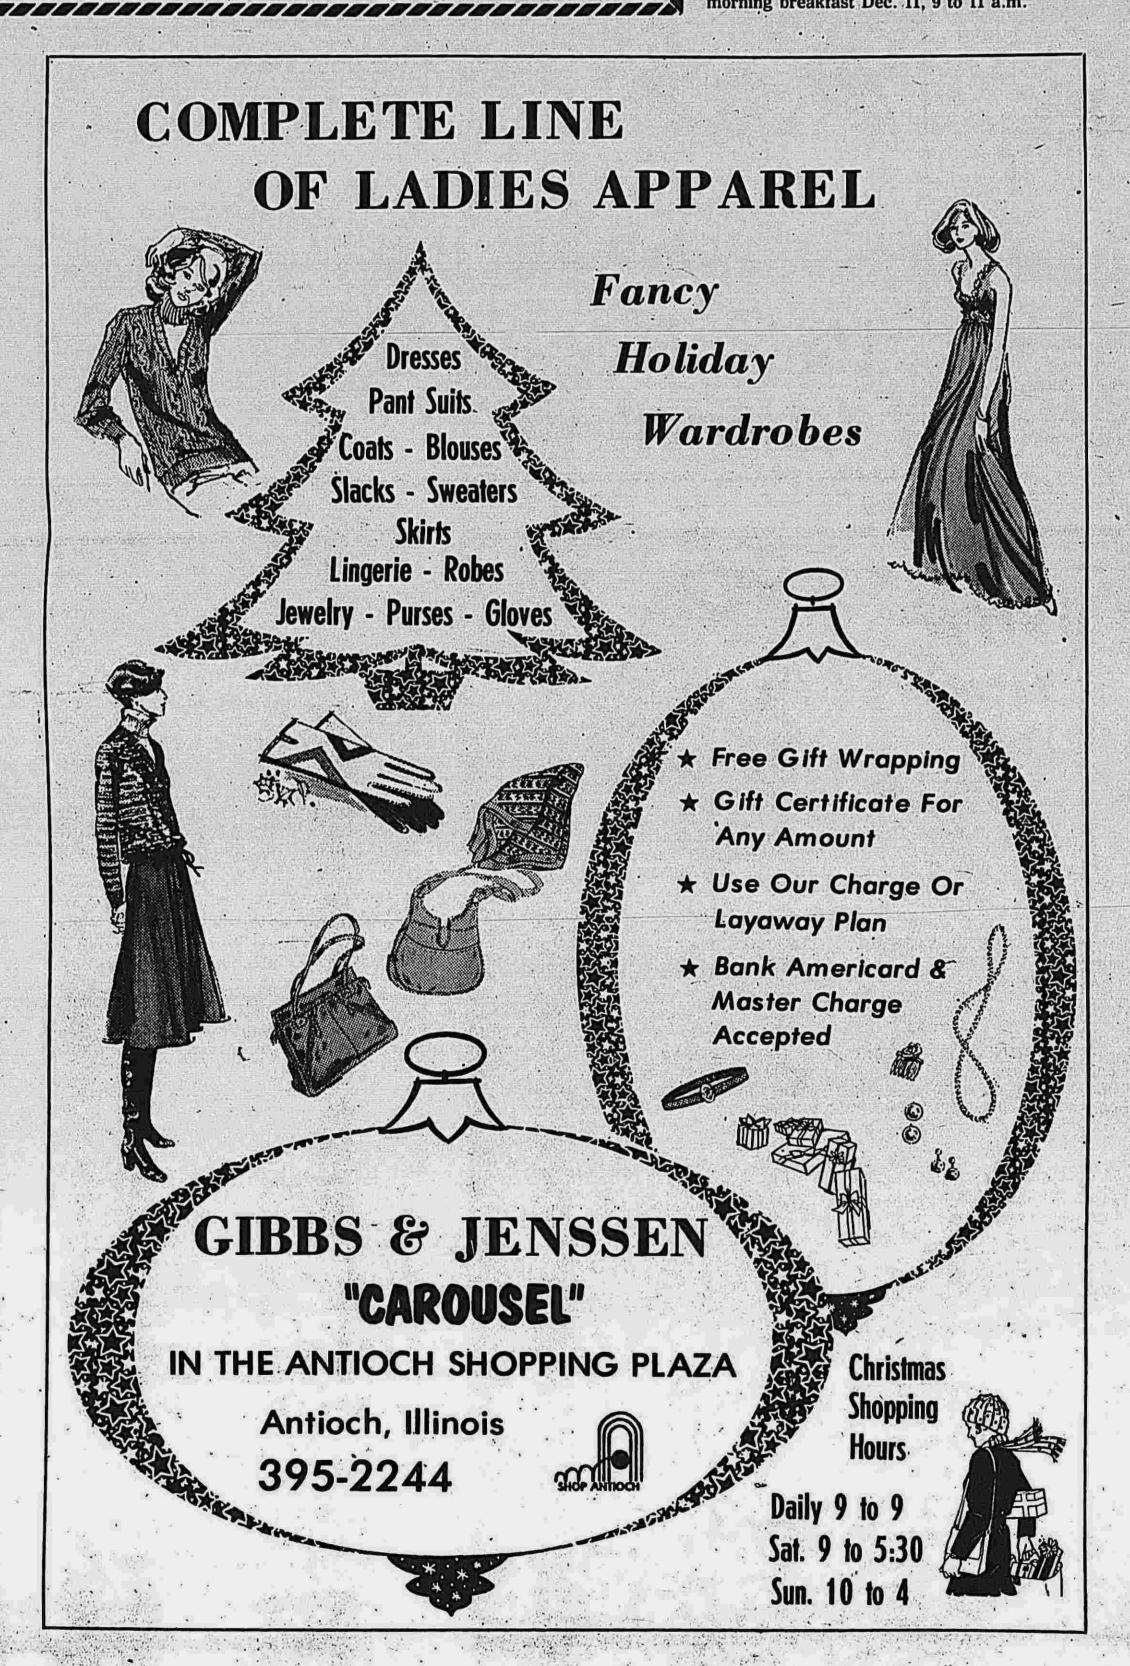

The freshman class at Antioch High School will present a double feature movie show Saturday, Dec. 17, at the school's auditori-

The movies, "Big Bad Wolf" and "Frog Princess," will last from 9:30 to 11:45 a.m. Cartoons also will be shown.

"Parents are encouraged to bring their children," said Kirsten Laurin, class president. "This year we're doing something different, instead of the usual dance, to raise money for the annual freshman class projects,"

Admission is \$1 per person and a prize will be given away during an intermission.

They were married Oct. 29 at the Lake Villa United Methodist Church in a double ring ceremony. Uniting Kathy and Wayne in marriage was the Rev. Lauren Messersmith.

WEDNESDAY

Kathy is the daughter of Mr. and Mrs. Raymond Toft and Wayne's parents are Mr. and Mrs. Edward Soder Jr.

KATHY'S SISTER, DEBBIE, was the maid of honor, and the best man was Dave Yuska, a friend of Wayne's. Bridesmaids were Susan Rigby, Pennsylvania; and

Vicki Conrad, Indiana, a cousin of the bride. Groomsmen were John Coia, Lake Villa; and Jeff

January, Antioch. The ushers were Chuck Jenkins and Rodney Aronson,

both of Antioch. The couple drove off in the bride's father's 1953 Ford. Kathy wore a heart-diamond necklace that her father gave her when she was a little girl. Friends came to the wedding from California, Pennsylvania, Colorado and Indiana.

A SPECIAL WEDDING GIFT came from Kathy and Ron Horton - a wedding cake made by Kathy.

A good friend of the couple, Greg Zdanek, played the organ and Ann Vaughn the guitar.

Kathy wore a floor-length gown of white soft qiana enhanced with re-embroidered alencon lace.

Both are graduates of Antioch High School; the bride in 1974, the groom in 1972.

The reception was held in Andre's Steak House, Richmond.

## High school bowlers topple 3 opponents

The Antioch High School bowling team has been trimmed to 18 members from 30 bowlers who tried out in November.

The 18 bowlers in their ranking (average) order are: "A" VARSITY - Jill Levoe, Lori Meyer, Cindy Toole and Donna Hall.

"B" FROSH-SOPH - Janie Jorgensen, Patty Long, Diane Appelhans and Shelly Delpeschio.

"C" JUNIOR VARSITY - Ellen Siems, Mary Lochhead, Kathy Tollison and Sheri Weber.

"D" TEAM - Barb Payne, Debbie Siems, Patty Kauth and Lily Boynton.

SUBSTITUTES - Lisa Holmes and Kelly Corey. So far, the team coached by Teresa Dempski, has

defeated Grayslake, Wauconda and Woodstock. The best scores include Donna Hall's 456 series, Jill Levoe's series of 512, 446 and 468, and Cindy Toole's 465.

The high game was 228 by Donna Hall. Jill LeVoe's 150 average leads the team, followed by Lori Meyer's 149.

Antioch bowls against Wauconda today and against Round Lake next Monday.

"We seemingly are in better shape this year than last year because the girls have higher averages and work well together as a team," said Miss Dempski.

"We have more freshmen and sophomores this year, thus providing ACHS with hopes of maintaining a strong bowling team for at least two years," she added.

For the first time, ACHS Bowlers have team shirts (red & white jerseys with "Antioch" imprinted on the back).

## Dedicated to Eugene Rockow, the Deer Hunter ...

### My Trophy Buck

Every year I listen to the excuses and look at the frustration on your face.

I feel these must be your thoughts as we drive home to Antioch each fall after deer season:

Out among the enchanted pines, The air was crisp and clear... The sun was on the horizon -Shooting time was drawing near.

There was much enthusiasm As I donned by bright orange blaze. My stand - at the edge of a clearing Where - Many times I had seen him graze.

I propped myself against a tree, So the wind was not at my back. THIS YEAR I was going to outwit him! The buck with the Trophy rack.

Very slowly I moved by head -From the left unto the right. Imagine my excitement! There he stood - within my sight!

I clicked my safety; And raised my gun. He was spooked - He snorted! And started to run.

I took a shot - it was To no avail -All I saw -Was a white bobbing tail!

YOU outsmarted ME again. I shot too late. Never fear - Trophy buck! I'LL BE BACK in 'seventy-eight!

## Waukegan now has clay track

The Waukegan Speedway will have a new look and a new class of cars running when the gates open in April of 1978.

The asphalt track is now a quarter-mile, semibanked clay track. It has a new six-inch clay base.

The new class running on Sunday nights will be the "alcohol guzzlers," otherwise knows as the modifieds.

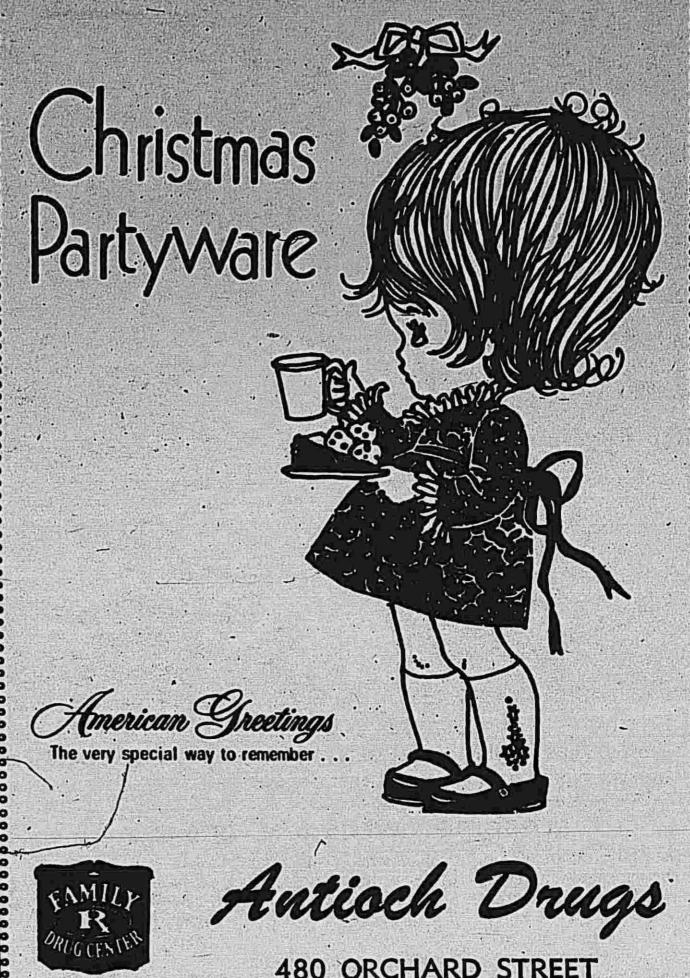

The Speedway had eight years of asphalt action. Prior to its paving, it was known as one of the finest clay tracks in the country.

Promoter Gordon Sill cited increased expense as a major reason for returning to clay.

"Short tracks can't afford to run the \$20,000 stock cars on a weekly basis," he said. "Waukegan is a more exciting dirt track rather than asphalt, which will be a big plus for the fans. More participants are expected on the dirt because they can afford it."

## Antioch High's wrestlers have a 4-0 record

Antioch continued its success on the wrestling mats with two conference dual meet wins over the weekend.

Friday night the Sequoits traveled to Warren and beat the Blue Devils 30-16.

Saturday night the Sequoits hosted the Grayslake Rams and won easily, 38-9.

Sparking the double win were Dave Unrein 98, Jon Gibson 105, Jeff Gross 119, Marvin Gibson 126, Gene Lehn 155, Dave Aschbacher 185 and Rich Packert, heavyweight, all of whom won in both meets.

AGAINST WARREN, DAVE UNREIN started the Sequoits off with a 5-1 win and Jon Gibson followed with a fall that put the Sequoits into a 9-0 lead which never was topped.

The highlight match was between Warren's Dave. Crawford and Antioch's Brian Beal at 145. Brian, a sophomore, was a decided underdog to the experienced Crawford, but he fought from behind after trailing 2-0 to tie the match 2-2.

At 126 Antioch's Marvin Gibson was matched against Warren's Greg Malizia. Malizia had tied Gibson in a dual meet last year and Gibson had edged him for the conference title. Marvin easily dominated the match this time.

AGAINST GRAYSLAKE a rematch of last year's conference championship at 98 lbs. occurred at 105.

### Freshmen wrestlers are 2-2

The Antioch High School freshman wrestling team had good and bad news this past weekend. They won, with a narrow margin, 39-36, over Gravslake and lost 44-30 to Warren.

The Sequoits were led by

double wins from Dan Larsen at 105, Dave Mohar at 119 and Scott Wolf at 167 pounds.

Scoring single pins for Antioch were: Bruce Nelson at 126 and Bob Hubbard

### Wrestlers have 4-0 record

Continued from page 18

Grayslake's Russ Precht defeated Antioch's Jon Gibson in a dual meet and also beat Jon for the conference time last year. This time Gibson was not to be denied. He was the aggressor in the first period as he continually fought for takedowns and had to rely on all his defensive tricks.

The first period ended in a 0-0 tie but Gibson had set the tempo of the match. Jon was down in the second period but quickly escaped and continued his attack. His persistence paid off and he scored a takedown to lead 3-0.

In the third period Precht escaped but was taken down again by Jon and he rode out the Grayslake wrestler for a satisfying 5-1 win.

AT 167 JEFF THIEL in only his second varsity match of the season scored an exciting 5-4 win over Grayslake veteran Greg Dunkin. Jeff scored his win with two takedowns and an escape.

Friday night the Sequoits travel to Round Lake for their third conference dual meet. Antioch takes a 4-0 record into the Panther den.

Although Round Lake has not done well this year (1-4) the Panthers had several wrestlers hurt who should be ready for the Sequoits.

The action begins at 6:45 on the Round Lake mats Friday night.

## Junior varsity wrestlers win

Antioch's wrestling team is off to an excellent start this season by winning its first four meets.

After rolling up big wins against Mundelein, 39-18 and Zion, 54-10 last Wednesday the Sequoits ventured to Warren Friday and came away with a 43-20 win.

Saturday the Antioch team hosted Grayslake, which had beaten the Sequoits last year. This year Antioch came away with a 41-21 win.

Outstanding wrestlers on this year's team, coaches said, are Glenn McCollum, 98 pounds; Rob Crowell, 105; Mike Hogan, 112; Bob Finn, 119; Scott Peterson, 126; Bruce Mitchell and Glenn Kaht, 132; Darren Houghton and Vic Mannina, 138; Chuck Bogaerts, 145; Ted Bessette, 155; Jeff Thieland Greg Bodin 167; Mike O'Hara 185, and

Last year's team finished with a 10-meet winning streak so that total is now extended to 14 in a row at the J.V. level. Antioch will take on Round Lake this Friday at Round Lake.

Antioch High School basketball fans left the local gymnasium smiling last Friday after the Sequoits won their home opener; 58-45, against Warren's Blue Devils.

They hope to feel the same this Friday when their team plays Round Lake at 8 p.m. It's another home game and Antioch will be favored, because the visiting Panthers have been losers so far this season.

(But, on the other hand, you saw the Chicago Bears-Tampa Bay Game.)

THE VICTORY OVER WARREN was particularly important because that team and Antioch were considered favorites in pre-season talk about the North Division of the Northwest Suburban Conference. The Waukegan News-Sun had picked Warren to win by two

The Sequoits started slowly but seemed to gain

JOHN EDER led Antioch's scoring in Saturday night's game against LakeForest, hitting for 14 points.

confidence as the game progressed. They really put Warren away in the final quarter.

Coach Roger Andrews praised "the super board work of Tracy Sodman and Tim Huebner." Antioch had a big edge in rebounding, 40 to 23.

Defensive play kept Antioch in the game in the first half, before the local team began clicking on offense.

Antioch outscored Warren, 13-2, in a five-minute stretch in the third quarter.

Warren held a 23-22 halftime lead having rallied from a 16-12 deficit after one period. With six minutes to play in the third period, the Blue Devils led, 29-24. With one minute to play in the quarter, the Sequoits held a 37-31 advantage and gradually increased it to 13 points by the end of the game.

"THE ZONE DEFENSE was very effective against Warren. Their big man, Dave Kolar, was limited to 9 points," Coach Andrews observed.

"The key to victory," the coach said, "was the defense

... rugged aggressive play by Sodman and Huebner, and balanced scoring."

Bill Dubek led scorers again with 20 points. Sodman hit for 15 and Brian Andrews for 11.

Coach Andrews used nine players again in this game, using team depth that helped when Warren appeared to tire late in the game.

"All of our players did a great job," said the coach.

SATURDAY NIGHT THE SEQUOITS lost a non-conference game at Lake Forest, bowing 64-53 to a tough opponent.

The Sequoits had trouble getting started and fell behind a hot Lake Forest team 21-4 and then 27-8.

In the second and third period the Antioch cagers played some of their best basketball, outscoring Lake Forest 39-24 to close the deficit to two points, 45-43, entering the final quarter.

With just less than three minutes to go; Antioch trailed 54-51 but eight Lake Forest free throws (plus a stall by the home team) made a difference of 11 points at the finish.

Sodman again starred as a rebounder, pulling down 18. John Eder led scorers with 14 points, Debek had 13 and Sodman 10.

"We learned two things in the Lake Forest game," Coach Andrews said. "One, we must come ready to play in every game. It took us a whole quarter to get motivated. Second, we have the spirit, pride and ability to come back from a bad start. In the second and third quarters our players had only three turnovers. We are ready for the conference race. Things are progressing well and our depth is good. Nine or 10 players are performing well."

## Frosh cagers win their first games

Antioch's freshmen basketball teams won their opening games Saturday by defeating Warren.

The "A" team won 32 to 28 and the "B" team 29 to 27.

They were the first conference games of the year and doubly enjoyable because Warren had three games of experience under belts, Antioch their coaches said.

Starters for the "A" team were Pete Weber, Dan Maras, John Ploss, Tim Koesser and Mark Pomazak. Weber led the balanced scoring with 8 points, John Eckert added 7 in a brief appearance, while Maras and Koesser each had 6.

Maras led in rebounds with 8 while Ploss, Weber, Koesser and Eckert each had 5. Coach Norm Hahn had special praise for Weber for "an all-around good game." Pomazak was credited with 5 assists and Ploss had 5 recoveries in the victory.

In the "B" game Tim Haviland led the scoring with 8 points as 17 players participated. Jim Domkowski added 6 points and Brian O'Neill and Kevin Hassett were praised by

Hahn for good games. The next freshman game will be at Round Lake

Saturday at 9 a.m. Antioch will entertain Libertyville on Monday at 4:30 p.m. -

## Soph cagers win opener in conference

The Antioch sophomore basketball team split a pair of games last weekend, soundly defeating the visiting Warren Blue Devils 50-35 but falling to Lake Forest Saturday night 48-41.

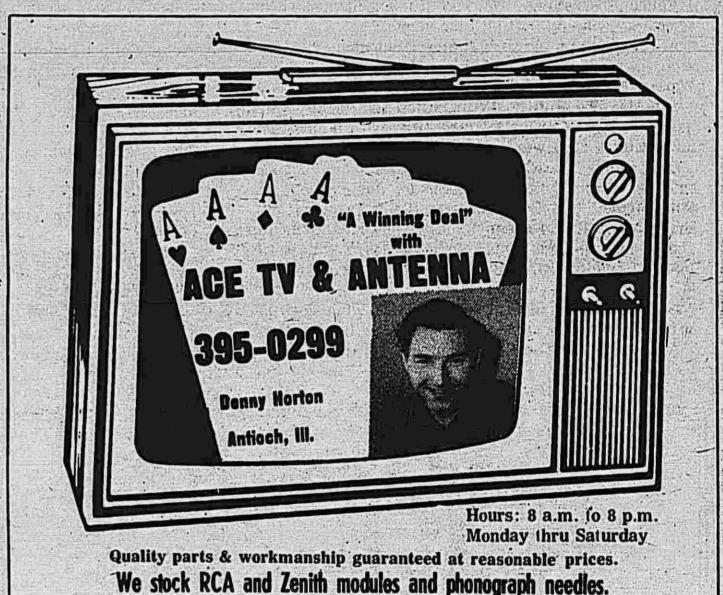

The Friday night contest was important to the Sequoits because it was the conference opener for both teams. Antioch jumped on the Blue Devils early with an aggressive defense and built up a 29-10 halftime lead.

The Sequoit reserves played most of the second half and still controlled the action. The Antioch scoring was led by Mike Anderson 12 points, Ron Nauman 10 and Chris Kempski 9. Nauman also had 11 rebounds.

Saturday's non-conference game at Lake Forest was the first loss of the season for the sophomore Sequoits. Antioch had a difficult time getting started, allowing the Scouts to jump to a 12-4 first quarter lead and that proved to be the difference.

The Sequoits struggled back to tie the game several times in the second half but the go-ahead basket continually eluded them. Denis Flaschner was a bright spot for Antioch as he connected for 18 points and collected 10 rebounds.

.The sophomores will seek to get back on the winning track at home this Friday as they entertain the Round Lake Panthers in a conference game beginning at 6:30 p.m. The varsity game follows at 8.
